### **INFORMATION BULLETIN N.4**

The information in Bulletin N.4 is complementary to previous Bulletins and all together serve as complete guidance.

#### **ANTI-DOPING EDUCATION REQUIREMENTS**

The European Dragon Boat Federation (EDBF) is developing a comprehensive anti-doping and testing programme that focuses equally on anti-doping education and doping prevention, The EDBF Anti-Doping Programme consists of three elements, namely, the Anti-Doping Education Programme; the EDBF Anti-Doping Awards and Anti-Doping Tests in support of the IDBF. Together these elements constitute the EDBF's "Clean Paddle Sport" scheme.

**The AD Education Programme** is aimed at Paddlers and Coaches to take part in at Club level, with proof of participation through online courses, being compulsory for Premier paddlers and all coaches taking part in an EDBF Championship. **Paddle Clean Sport Awards** are given to both individuals and Clubs taking part in the EDBF AD Education Programme, during an EDBF Championships and at the EDBF Ordinary Congress.

**Anti-Doping Tests**, including the requirement for TUE's, is part of the IDBF's AD Testing programme and is primarily for National Team paddlers competing at Nations Championships. Sanctioning, under the IDBF Anti-Doping Policy, will be taken against those individuals who break the WADA Codes.

**Ravenna AD Education Programme.** Following questions received after Info Bul 3 was issued, concerning the EDBF Anti-Doping programme, the following clarifications are made:-

**National Level Athlete Course (NLA).** This course is compulsory for competitors racing in a Premier Division Competition, irrespective of their age or any other Division (Seniors etc) they may be racing in. Competitors **NOT** racing in a Prem Division Competition but only in their own age divisions (Seniors etc) are asked to voluntarily complete the NLA course and thereby gain points for themselves and their Club towards the EDBF Clean Paddle Sport Awards being contested for during Ravenna 2023.

**Coaches High-Performance Education Programme (CHPE).** This course is compulsory for **ALL** Coaches irrespective of which Racing Class Division their competitors are racing in during the ECCC.

On completing the appropriate course (NLA and CHPE) Crew Managers are required to collect copies of their competitors and coaches course certificates and upload them to the EDBF data base as shown below, in order to be issued with an accreditation card for the ECCC.

Premier Division competitors will not be allowed to race if an NLA Course Certificate has not been received by the Organising Committee by the time they arrive in Ravenna and *all coaches, irrespective of their Racing Division*, will not be issued with an accreditation card until their appropriate course certificate has been entered onto the EDBF data base. **See below link for details of how to access the courses.**

**All course certificates (NLA and CHPE) should be entered by Crew Managers onto the EDBF Data Base as detailed in the EDBF Guidelines published below.**

**Therapeutical Use Exemptions (TUE).** TUEs are an IDBF requirement for Premier and Senior competitors at an IDBF World Nations Championships, such as Thailand 2023, who are taking medication as prescribed by a Medical Doctor, that contains a WADA Banned Substance or Method. TUE's once granted by the IDBF are valid for 2 years. (TUEs issued for Banyoles 2022 are valid until 2024). Competitors in Ravenna 2023 who are also racing at the IDBF World Championships in Pattaya, Thailand, who need a TUE should apply for one to the IDBF Medical & Sports Science Commission – **see the IDBF website for details.**

### EDBF PADDLE CLEAN SPORT AWARDS

**Paddle Clean & Clean Dragon's Cups.** To encourage EDBF Members and their Clubs to supports the EDBF's "Paddle Clean" doping-free sport and Anti-Doping initiative, "Paddle Clean" and "Clean Dragon" awards will be given annually to help establish a long-term and systematic approach to anti-doping education and integrate this into a dragon boater's development.

### RAVENNA 2023

#### 1. Paddle Clean Athlete's Cup

The "Paddle Clean Athlete's Cup" will be awarded, by the EDBF Medical and Sport Science Commission, to the three individuals who obtained the highest scores in the Clean Sport Athlete's Competition during the 2023 EDBF Club Crews Championships in Ravenna.

#### 2. Paddle Clean Club (National) Dragon Cup

The "Paddle Clean" Club Dragon Cup" will be awarded, by the EDBF Medical and Sport Science Commission, at the 2023 EDBF Club Crews Championship, in Ravenna, to the Club with the highest number of points, according to the "Paddle Clean" points scoring system shown below. The points scoring system is based on a Club's overall participation in EDBF "Paddle Clean" schemes activities, education programmes and from 2024 having an EDBF Clean Sport Advisor working with their club.

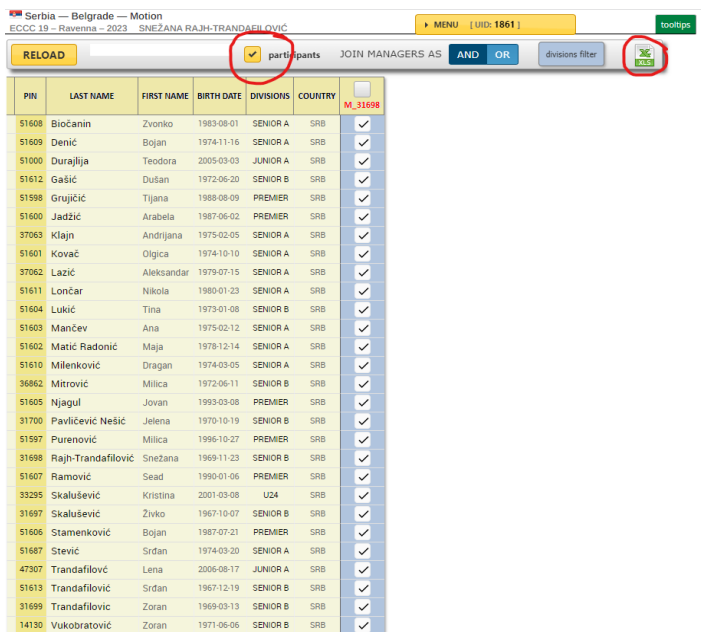

<b>Paddle Clean - Clean Sport Campaign 2023 Activities</b>	<b>Point</b>
<b>Completing ADEL National Level Athlete Course (NLA)</b> (National Level Athlete Course Certificate submitted for EDBF CCC Ravenna)	<b>20 points per paddler</b> (including non-Prem Div competitors)
<b>Completing ADEL High Performance Coach Course (HPC)</b> (Course Certificate submitted for EDBF CCC Ravenna)	<b>50 Points per coach</b>
<b>Participation in an Anti-Doping Workshops during the EDBF Championship</b> (Certificate of participation will be issued by EDBF Med Com for each workshop)	<b>10 points per participant</b> (Officials, Paddlers and Support Personnel)
<b>Participation in the Clean Sport Competition during an EDBF Championship</b> (Participants will receive a digital participation badge)	<b>10 points per participant</b> (Officials, Paddlers and Support Personnel)
Clean Sport Advisor – from 2024 European Nations Championships	<b>15 Points</b> per Club Crew or National Team Crew

**Entries have been received from Clubs in 19 European Countries, with a total of 2765 competitors presently entered, with paddler numbers still awaited from 3 Clubs.**

## EDBF GUIDELINES FOR UPLOADING ADEL CERTIFICATES

The task of uploading ADEL certificates for all athletes within each crew, from each Club, is the responsibility of the crew manager. To access the web application for certificate uploads, a crew manager must first complete the club crew registration process by filling out the form provided at the following link: <https://forms.gle/wuB1UjdaUan5pHw4A>

Once the crews manager's registration is verified, confirmation will be sent, allowing them to move on to the subsequent steps. An advisable approach is to utilize previously registered athletes from the official site. This can be achieved by exporting a CSV file from the "Managers' People" section of the screen, with the selected option limited to participants only.
